DECLARATION UNDER 37 CFR Section 1.132

Dear Sir:

Alphonse Cassone, the applicant herein, makes the following declaration:

1. A treatment method that is the subject of the above-referenced application has been tested on patients suffering from peripheral vascular disease ("PVD"), a type of circulatory disorder, and also on patients suffering from osteoarthritis. These tests have been conducted under the auspices of the University of Nevada Las Vegas.

2. Each study has resulted in an article that has been submitted for publication in a peer-reviewed medical journal.

3. Attached hereto as Exhibit A is the osteoarthritis article, entitled "Effects of a Low Frequency Sonic Waveform on Osteoarthritis: A Pilot Study."

4. Attached hereto as Exhibit B is the PVD article, entitled "The Effects of a Low Frequency Sonic Waveform on Peripheral Vascular Disease: A Pilot Study."

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this Application or any patent issued thereon.

Date: June 7, 2002

Signed:

  
Alphonse Cassone
